LEGEND
Andesite volcanics and volcanoclastics
Dacite volcanics and volcanoclastics
Dacite breccia - VHMS Mineralization envelope
Subvertical, high grade epithermal gold mineralization
Trend of high grade en-echelon mineralization
Mafic to intermediate intrusives（dikes）
Interbedded limestones and marl
Interbedded limestones and marl
Southern splay of San Jose - Restauracion Thrust Fault
Interpreted normal and conjugate thrust faulting
